

Cal Teach Fingerprinting Instructions

In order to be placed in a local K-12 school, it is required that you complete the Cal Teach fingerprinting process. Below are options for first time Cal Teach participants to prepare for Winter 2017.

1. Attend one of our two on-campus Fingerprinting clinics, conveniently scheduled to coincide with our TB testing clinics. **RSVP to calteach@ucsc.edu to set up an appointment during the times below.**
 - a. Tuesday, November 29 10am-12pm
 - b. Friday, December 2nd, 1pm-3pm
2. Go to [Santa Cruz Livescan](#) (downtown) to be fingerprinted by December 9th. Stop by the Cal Teach office to fill out paperwork before going downtown.

Contact Cal Teach if you have any trouble completing your fingerprinting before December 9th.
