Cal Teach Teaching Internships for Summer 2017

Cal Teach offers paid summer internships for experienced Cal Teach interns. Positions are still available at Santa Cruz City Schools and San Jose City College. Contact Gretchen if you are still seeking a teaching internship this summer!

2017-18 CaT Course Offerings

Fall: CaT1 - Apply now! Priority deadline 5/15
Winter: CaT1, CaT2
Spring: CaT2, CaT3
Active Learning and Special Projects will continue to be sponsored by Cal Teach in fall, winter, and spring!

New Science Education Major!

Beginning fall 2017, this major will provide a pathway for students to take a breadth of science courses to prepare for secondary science teaching.

Considering applying to Credential Programs for 2018-19?

* Join us at our Spring Credential Info Night: Monday, May 22, 6:15pm, JBEB 160. Pizza!
* Take the CBEST/CSET this summer!

Please share this news now: Cal Teach is hiring!

Cal Teach needs a new Program Assistant-Student Advisor to start in mid-July. See jobs.ucsc.edu, job #1707107, for job description and to apply. To ensure consideration, apply by the Initial Review Date: May 17, 2017

Students, graduates, host teachers, and friends, please join us at our Award Ceremony and End-of-Year Celebration!

Wednesday, June 7, 5:30-7:00pm
Jack Baskin Engineering Courtyard. Dinner provided! RSVP here by Monday June 5, so we have enough food for all!

Congratulations!

Successful Giving Day
Nearly 50 students, graduates, collaborators, and friends gave $5,264 on Giving Day, which will provide stipends for spring Cal Teach 2 interns. Grateful thanks to all who helped!
If you regret missing Giving Day, click here.

Cal Teach Ten-Year Review
Check out this comprehensive look at the UCSC Cal Teach program and its impact since 2006.

Farewell to Brett
We’ve loved having Cal Teach grad Brett Bell (’12 Biology/Environmental Studies) on the staff since February 2016. We’ll miss him, but we are excited that his next adventure will be to follow his artist and naturalist passions as a student at CSU Monterey Bay in the prestigious Science Illustration program. Say farewell to Brett at the Awards Ceremony and Celebration on June 7 (his last day with Cal Teach will be June 9).

Thank you student helpers!
The students who work behind the scenes in our office are a critical part of our success as a program. Thank you, Gabriella Cinquini and Tyler Schrepl, for all of your hard work and contributions this year!

Alumni Weekend Gathering
Thanks to all who joined us for the alumni weekend gathering! It was great to reconnect with our grads and collaborators over a bite and some pints!
