▶Returning interns should sign up for **spring 2011 CaT2 and CaT4 internships** by Wed., March 2.

<http://calteach.ucsc.edu/internships/intent>  
(New interns can apply in spring for fall quarter.)

▶**Mark Bruce Fellowship and Noyce Scholarship awardees** will be notified mid-March in their acceptance letters for UCSC's MA/Credential program.

▶Cal Teach will take part in the alumni **Day by the Bay** on Saturday, April 30! See details on page two!

▶Cal Teach 1 seminars count for the general education **PR-S (service learning)** requirement.

## Hitachi Scholars

Six Cal Teach students received scholarships after completing their first internship in fall 2010. The scholarships were made possible by a generous donation from the Hitachi Foundation and the Hitachi Data Systems Community Action Committee.

*Pictured here: Stephen, Chris, Kendra, Graham, and Cal Teach Director, Gretchen Andreasen*

Hitachi's donation is providing scholarships for many Cal Teach 1 interns in fall 2010 and winter 2011 who are from the nine Bay Area counties. The fall 2010 scholarship recipients are: Stephen Chen, Graham Meese, Melissa Meloy, Chris Nguyen, Ben Pang, and Kendra Staver. Stephen, Chris, Ben, and Kendra are math majors. Melissa is a senior chemistry major applying for credential programs now, and Graham is an earth science major. All are considering a career teaching math or science to California's kids and deeply appreciate the support from Hitachi!

## Robert Noyce NSF Summer Internships

...for first and second year science, engineering and math majors

**Interested in teaching science and math?** Looking to explore teaching this summer while gaining experience *and* making money?

Cal Teach offers summer internships for first and second year UCSC and community college students. Interns are placed with one or more summer educational programs where they help out daily, and also attend seminars, meetings, and workshops at UCSC and elsewhere.

Applicants must be interested in teaching and learning and be passionate about making a difference in kids' lives. Although most successful applicants will be new to Cal Teach, we may accept one or two students who have completed CaT1.

The program will run from June 13-July 29 and you must be available full-time, Monday through Friday for six weeks, and three Saturdays within the program dates.

**Interested?** Applications are due April 4. See our website (<http://calteach.ucsc.edu/internships/summerinternships>) to download an application.

**Questions?** Contact us: 831-459-2226, [calteach@ucsc.edu](mailto:calteach@ucsc.edu), or stop by our office in room 367 Thimann Labs.

## MORE SUMMER OPPORTUNITIES. . .

### UC Berkeley Summer Institute!

**1** Do research at a UC Berkeley lab or Lawrence Berkeley National Lab  
<http://calteach.berkeley.edu/events.html>  
Apply ASAP, already setting up lab placements!

**3** **Breakthrough Collaborative**, locations in San Jose, SF, Sacramento, etc. Hiring Teachers.  
[www.breakthroughcollaborative.org](http://www.breakthroughcollaborative.org)

**iD Tech Camps**. Hiring Camp Instructors in Santa Clara, Stanford, UCLA, UCSD, Berkeley, etc. [www.internaldrive.com](http://www.internaldrive.com)

**Education Unlimited**, various CA locations. Hiring Science Camp Counselors, Instructors, etc.  
[www.educationunlimited.com/job\\_positions](http://www.educationunlimited.com/job_positions)

### MBARI (Monterey Bay Aquarium Research Institute) 2011 Summer Internship Program.

Participate in a ten-week mentored internship program. Open to educators, undergraduate and graduate students (2011 dates not yet published). Will take place in Moss Landing, CA.  
<http://www.mbari.org/education/internship/genintern.html>

### COSMOS RA Positions **2**

Four week science and math camp for high school students; pays hourly plus room and board (live-in position)  
\*Recruiting in March 2011\*

See ER#4656 on the Career Center Web site for more info.  
<http://www.careercenter.ucsc.edu/ers/erspub/main.cfm>  
About COSMOS: [epc.ucsc.edu/cosmos](http://epc.ucsc.edu/cosmos)

### Galileo Learning Camps. Hiring Team

**5** Leaders and Assistant Instructors in Palo Alto or SF. Mid-June to early August (varies by location) [www.galileo-learning.com](http://www.galileo-learning.com)

### Camp Kenolyn in Soquel, CA. Camp counselors. **7**

## DAY BY THE BAY AND FUNDRAISING...

Cal Teach is beginning an active campaign to raise private funding to help maintain student benefits. We will kick off this effort with a celebration of UCSC's math and science teacher preparation, past, present, and future, at UCSC's alumni reunion, "Day by the Bay," on Saturday, April 30. As plans progress, we will be asking for help with this special event from current interns and Cal Teach alumni.

In the meantime, send friends and family to our web page to make a financial contribution (<http://calteach.ucsc.edu>). Click on the yellow "DONATE" button to reach the "Giving to UC Santa Cruz" site.

For more information about about how to support Cal Teach, or about plans for Day by the Bay, please contact Samantha Forde ([forde@ucsc.edu](mailto:forde@ucsc.edu); 831-459-1541).
