**MARK BRUCE TEACHER SERVICE AWARDS**

The Mark Bruce Teacher Service Awards, prizes of $500, help Cal Teach to recognize the generous and skillful service that Cal Teach host teachers provide as mentors. In 2013 the prizes will be awarded to one science and one math host teacher from Mission Hill Middle School. The prizes honor the memory of Mark Bruce, Mission Hill graduate and brother of Cal Teach friend Stephen Bruce.

Winners will be announced at our Awards Ceremony and Celebration at UCSC on June 5!

---

Thank you to all our dedicated host teachers throughout Santa Cruz County!

We’d like to especially acknowledge the host teachers who have already welcomed 10 or more Cal Teach interns into their classrooms: Beto Byram, Linda Carman, Kirsten Clarke, Ave Cope, Molly Deich, Stacey Falls, Simon Fletcher, Randy Garrett, Bob Goeckerman, Kim Holder, Larry Johnson, Sherri Kilkenny, Stuart Kumaishi, David Levy, Joe Manildi, Pam Mason, Tom Medeiros, Lisa Michael, Kevin Mitchener, Tori Ow, Tony Pepperdine, Sue Seibolt, Darrell Steely, Jennifer Suhd-Brondstatter, and Charley Van der Maaten

Updates on Cal Teach Grads

Tenure recipients: Sarah Bookwalter (Kigon), Bryan Feezor, Erica Goldworthy, and Xiong Thao!

KSTF fellows: Rick Barlow and Melissa Meloy

Conference presentations and adventures:
- Rick Barlow will present a workshop at the national NSF Noyce conference in Washington, DC, this month.
- Sarah Bookwalter (Kigon) represented her school, Pacifica High, at the Professional Learning Communities conference in Phoenix this year, and next year she will be math teacher, student activities director and instructional coach for Pacifica.
- Bryan Feezor will sail to Labrador and Hudson Bay, Canada, this summer with the Maine Maritime Academy. He’ll teach his Celestial Navigation course to college sophomores and help sail the 1921 polar Schooner Bowdoin. He’ll help design curriculum for the Skipper Program and work with a STEM initiative team to support island schools in the Penobscot Bay.
- Beth Nordeen will travel to St. Pete’s Beach, FL, this summer for a week-long Physics IB training.

Donors Help UCSC Cal Teach Sponsor Summer Enrichment!

New projects will provide summer teaching and research opportunities for undergraduates.

**Agilent Summer Lab Internships** (June-September): Cal Teach interns will work on teaching and research projects in the labs of Professors Grant Hartzog and Rita Mehta.

**Graniterock Summer Algebra Academy** (August 12-17): Under leadership from the UCSC Math Department's Nandini Bhattacharya, Cal Teach interns will support rising 8th graders in an algebra acceleration program sponsored by leading local company Graniterock at their headquarters in Watsonville. Cal Teach and UCSC’s MBAMP program hope to extend the collaboration with Graniterock, with Cal Teach interns to coach follow-up Math Clubs in regional middle schools in 2013-14.

**National Science Foundation & UCSC Foundation Board Intensive Internships** (Sept. 9-13): Cal Teach interns will spend a week in math or science classrooms in high-need urban (east San Jose) or rural (Gonzales) schools.

Let us know if you’d like to contact one of these Cal Teach teachers and we’ll help put you in touch!
