LOOKING AHEAD TO 2013

• Interested in a winter math or science teaching internship?

E-mail calteach@ucsc.edu to request an application

We will continue accepting applications until the start of the quarter, as space remains!

- Cal Teach 1 counts for your PR-S (service learning) GE requirement!

New Intern Orientation

Monday, January 7, 7-8:30 p.m. in Jack Baskin rm. 160. REQUIRED for new interns!

Advanced Internships this winter!

- CaT3 math and science is offered this winter! The 3-unit seminar class meets Thursdays 6-7:50 pm. Download an intent form at: <http://calteach.ucsc.edu/internships/intent.html> and submit to calteach@ucsc.edu
- **Advanced Cal Teach interns may propose independent study projects for 1, 2, or 3 units. E-mail us to discuss project ideas!**
- Winter internship logistics should be planned with Cal Teach staff before the start of winter quarter.

Cal Teach is Moving to Baskin!

Along with Physical and Biological Sciences advising and the undergraduate research programs, we'll be moving to the Baskin Engineering building over winter break. Please visit us there beginning in January! Here's where we'll be:

- Lea's office (main Cal Teach office) room 157B
- Pat's office: room 157C
- Gretchen's office: room 157A
- The student lounge: room 173
- The seminar room: room 160

The new, bigger student lounge will have the same computers, tables, refrigerator, coffee maker, hot drinks, a microwave, a white board, and now, MORE study spaces, more white board space, and a CHALK board!

The Edward and Miriam Landesman Fund for Future Teachers exists to help Cal Teach students and graduates achieve their goals to become inspired and inspiring teachers. This may include reimbursement for CBEST and CSET exams, registration fees to attend professional meetings, and classroom equipment for new graduates. Please contact Cal Teach if you wish to help with reimbursement for these activities or to discuss other support for Cal Teach.

Giving Thanks!

As Thanksgiving approaches, we want to thank the teachers, the school districts, and the generous financial donors who keep Cal Teach strong!

Our school district partners include Gonzales, Live Oak, Pajaro Valley, San Lorenzo Valley, Santa Cruz City, and Soquel.

Ongoing and generous donations from Stephen and Mona Bruce and Edward and Miriam Landesman allow us to provide substantial scholarship and other financial support for our prospective teachers, credential students, and early career graduates.

Gifts from new donors are increasing our ability to help more Cal Teach students. Many thanks to Samantha Forde ('02), Toby Gottfried ('72), Howard and Lynne Landesman (past parents), Dan Zimmerlin ('74), Agilent Technologies Foundation, the Moore Foundation, and many more.

If you would like to help Cal Teach maintain support for math and science teachers, call 831-459-2192 or go to this [link \(http://giving.ucsc.edu\)](http://giving.ucsc.edu).

MA/C students & credential program applicants
are urged to attend Cal Teach's special event

Meet the School Districts

Thursday, December 6, 2012
Thimann Labs, room 391, 4:30-6 pm

to hear about how teachers can find good match with an employer and to learn what our partner districts are looking for in future employees and scholarship applicants.

Cal Teach Scholarship applications
for the UCSC MA/Credential program
are due **January 15, 2013**
(the same day as the MA/C application).

All scholarship applicants should attend the "Meet the School Districts" event (see left)!
For information about the Noyce scholarships and Mark Bruce fellowships, see <http://calteach.ucsc.edu> and come by the Cal Teach office.

Are you applying to credential programs for next year? There are a lot of pieces that go into your application. If you want to consult with someone, e-mail Lea (lea@ucsc.edu) to make an appointment with Lea or Gretchen. We are here to help!!

CAL TEACHERS: ADVICE ON APPLYING TO CREDENTIAL PROGRAMS

Jennie Martella, UCSC credential student, Biology

"Tell the people writing your letters of recommendation way ahead of time! Also, make sure to pass the CBEST and CSETs before you start the program, preferably before you apply."

Jacki Jung, UCSC credential student, Mathematics

"Start applications early; stress less! Take a year off if you need to in order to be prepared to start a credential program."

Cal Teach grads Jennie Martella & Jacki Jung at the most recent Cal Teachers meet-up

****Cal Teachers Meet-Ups**** Come hang out with other Cal Teach interns who are in credential programs, applying to credential programs, or teaching; and Cal Teach instructors and staff at this monthly event held around town! The next one will be Friday, December 7. Contact Lea (lea@ucsc.edu) for details!

Upcoming CSET/CBEST Dates:

January 12, 2013 (reg. by Dec. 14)

March 9, 2013 (reg. by Feb. 8)

May 4, 2013 (reg. by April 5)

July 13, 2013 (reg. by June 14)

Credential Application Deadline Reminders:

UCSC: January 15, 2013

UC Davis: Jan. 15, 2013 (if applying for Noyce scholarships) April 15 if not; May 31 = final deadline

UC Irvine: March 1, 2013 (priority)

Math for America LA:
Jan. 2, 2013 (priority)

CSUMB: March 1, 2013 (then rolling until May 15-final deadline)

SJSU: April 8, 2013
