

Cal Teach Program
Intern Mid-Quarter Self-Assessment

Name of Intern: _____ Level of Internship: _____

Name of Host Teacher: _____

****Note to Intern:** To get the most from your internship, reflect on your experiences so far. Please be honest in your assessment of yourself, consider what you think your host teacher would say if he/she was completing this evaluation.

Meeting Professional Standards

	Always	Usually	Sometimes	Never
I communicate with Host Teacher including initial meeting and routine check-ins				
I conduct myself in an appropriate professional manner				
My appearance is appropriate and professional				
I am punctual and show up as scheduled-twice a week with the same period(s)				

Getting the most of Learning Experience

	Always	Usually	Sometimes	Never
I take initiative in the classroom				
I asked clarifying questions and seek guidance from the host teacher				

Active Participation in Class Activities

	Always	Usually	Sometimes	Never
I build respectful relationship with all students				
I have become part of the classroom				
I take advantage of opportunities to engage with all students.				

Narrative Assessment

What specific contributions did the intern make to teaching and learning in your classroom?

What do you see as your particular strengths as a prospective teacher?

What do you see as an important area(s) of growth?

**During orientation you set a goal for your internship (on your timecard). What is your goal? Are you making progress toward your goal? Give examples.

**Denotes a question/direction not on Host Teacher evaluation at the end of quarter.
